

PARTNER/SUPPORT

Center of Literacy & Enterprise™ (CLE) Confirmation of Interest

Learn how partners from the faith community, public, and private sectors are transforming inner city/center city warehouse space into indoor malls for Social Cause and Social Enterprise.

The CLE provides a model (for national replication) of how Mount Zion Baptist Church; the City of Knoxville and Knox County Government; Bullock Smith Partners Architects; MERIT Construction; Smartec LLC Project Management; local foundations and others worked together and created a unique literacy and social enterprise facility for residents and organizations in the city's center city/inner city.

Partnership Interest - Complete & Submit

The submission of this form shall serve as confirmation of interest in exploring with The Literacy Imperative®'s Design/Build Group, the merits of developing a Center of Literacy & Enterprise™ for an underserved community.
